

Did Mary Maloney Exact Revenge?

In a paragraph, explain whether you think Mary Maloney's action was revenge or not. Your paragraph should:

- Discuss what revenge is (your definition)
- State why her action was or was not revenge
- Give two actual lines of text from the story to support your point

Write your definition of revenge

Write out **at least 2** (3 is better) quotations from the story that help you prove or argue that her action was or was not revenge (going by YOUR definition).

Mary had a leg of lamb, leg of lamb, leg of lamb. Mary had a leg of lamb which smashed her husband's skull in.
